Portico Health Net

50 In 52 Journey interview of Debra Holmgren, Julia McCarthy, and Nydia Carver. In the mid 90's the White House began looking into the idea of National Health Care, and today Washington continues to struggle with the idea. Like many other American's featured in the 50 In 52 Journey project, these ladies aren't waiting for Washington to solve the problem. Portico Health Net is a non-profit company which helps those with low incomes and no insurance find health insurance with the help of Hospitals in the St Paul/Minneapolis area. Motivated by the people they serve watch this interview of three amazing people who are making a difference in their communities every day by helping people who want the same things every American wants, a good job, a nice home and to be able to see a doctor when they're sick. Watch and be inspired by what you too can do to help others in your own community.
